

MEDFORD LAKES PRESENTS

HEROINKILLSNJ

Open Forum with a Panel Discussion.

With the ongoing addiction crisis, which includes opioids, alcoholism, mental health & self-harm, we need to educate ourselves to help prevent our loved ones from making bad choices that can lead to a devastating disease. If a loved one is suffering from addiction, we need to be educated on steps we can take to not only help the addict, but to also help ourselves.

Come join us for an open forum with a panel discussion. Hear from individuals in recovery, family members affected by their loved one's addiction, Sober Living representatives, Clinical representatives, and hear from the founder of HeroinKillsNJ, Tom "Redneck" Clark who will explain HKNJ's mission.
